Invitation for Sponsorship

Dear colleagues and friends,

On behalf of the Local Organizing Committee, we want to warmly welcome you to Riva del Garda for the 46th International Symposium on POPs and Related Pollutants – Dioxin 2026.

50 Years after the Seveso disaster the meeting will return to Italy and experts in the field of persistent organic pollutants, environmental chemistry, and toxicology can join and share their experiences with other colleagues. Let us learn from the past, analyse the present and move towards a future our grandchildren deserve to experience.

Dioxin 2026 will be unique, not only form the beauty of the location, but also – because for the first time colleagues driving the Dioxin symposium series and colleagues driving the flame retardants symposium series (BFR) decided to act together for their 2026 editions. We are delighted that we are able to join our forces for what promises to be an excellent joint meeting in a wonderful venue. Together, we will even better globally address halogenated pollutant issues to more efficiently tackle current human health and environmental challenges. We are hopeful that sponsors will take advantage of meeting delegates from both communities and will take up the offer of providing the support that helps to make our meetings not only possible, but to be special and memorable occasions.

As expected, Dioxin/BFR 2026 will focus on the science of dioxins and BFRs, but also additional persistent organic pollutants (e.g. PFAS) and other persistent products such as micro/nanoplastics. Together we will share latest major advances in analytical determination, the understanding of emission, transport, fate, degradation, toxic behaviour, regulations, along with the growing attention in developing countries and global pollution issues.

Up to 800 delegates are expected to register for the event, classically representing more than 400 abstracts (200 oral presentations and 250 posters) presented in up to 4 parallel sessions during 5 days.

In conjunction with the Symposia, there will be an exhibition involving instrumentation, chemical products, accessories, analytical companies, scientific journals, legal entities, research centres, etc.

The exhibition will form an integral part of the symposia and coffee breaks will be held in the exhibition area.

Surrounded by mountains and with some of the most picturesque views of Lake Garda, Riva del Garda brings together the best of Nordic hospitality with the Italian Riviera lifestyle. We will ensure that attendees enjoy the area of Riva del Garda and surroundings through multiple type of activities, whether cultural or gastronomic. Active wellness boosts productivity and creativity!

We hope that you will take advantage of this opportunity to be a Dioxin/BFR 2026 sponsor/exhibitor, and to gain from the interactions with students, academics, and science professionals from around the world. We want to maximize your organization's exposure to this diverse group and encourage you to work with us to customize a sponsorship package for the conference that best suits your needs and take advantage of the beautiful surrounding venues that are ideal for sponsor side events and dinners.

Terms & Conditions

Application of the Terms of Contract to Exhibit in case of cancellation or postponement of the Event in case of worsening of the health situation due to the SARS-CoV-2 pandemic:

- In case of cancellation or postponement of the Event for force majeure: no refund (see Article 15.2 of the TCE). A cancellation or postponement of the Event because SARS-CoV-2 makes the Event as and when planned normally, practically and reasonably impossible would be considered a force majeure falling under Article 15.2 of the TCE.
- In case the Event is not cancelled, but an Exhibitor cannot participate because of force majeure in its country: no refund after 15 02 2021 (Article 4.1 of the TCE).
- In case of postponement of the Event for a valid cause: no refund (Article 12.1 of the TCE).
- In case of abandonment of the Event for other reasons than force majeure or in case of a radically different event: full refund.

However, notwithstanding the above, and in a spirit of partnership, the Organiser and the Exhibitor accept that 70% (but only 70%) of the space booking fee shall be refunded in case the Event cannot take place as scheduled and has to be cancelled (rather than postponed in the same location) because of SARS-CoV-2 governmental restrictions in place in Riva del Garda, Italy or because of the local authorities' decision not to Host the event, provided that (and only provided that) the full amount of the space booking fee was timely paid. The purpose of the non-refunded amount is only to cover costs incurred by the Organiser for the preparation and running of the Event including commitments in place.

1. Definitions

«Symposium» shall mean the event, Dioxin 2026, which will take place 13 – 18 September 2026, at the Riva del Garda Congress Centre. «Organiser» shall mean MCI contracted by Dioxin2026. «Exhibitor or Sponsor» shall mean any person, firm or organization allocated a space by the Organisers in the above-said symposium, or with a confirmed sponsorship as outlined in this document. «Co-exhibitor» shall mean any person, firm or organization exhibiting their own products or services on the stand space of an Exhibitor.

2. Application for participation & acceptance

All applications for participation shall be made on the prescribed form overleaf. The application shall be submitted to the Organiser. Upon receipt of the invoice, the exhibitor or sponsor will promptly transfer the required deposit equivalent to 50% of the total booth rental charges and/or sponsorship package. The submission of the application form shall be deemed to be confirmation of participation and full acceptance of the 'Terms & Conditions for Participation' as stated herein. The application shall become a valid contract upon the Organiser accepting the application. The application and confirmation of its receipt do not constitute grounds for any claim to approval, or to any specific location or site of stand. In particular, the Organiser is entitled to implement reductions in the number of square meters applied for if the symposium area available is oversubscribed.

3. Rental of stand fitting, design and signs

The individual design of the stand, if in excess of the services indicated in the offer, is the concern of each individual Exhibitor who shall apply with the official contractor for furniture, fittings, fixtures and utilities. The nature of the design shall, however, be subjected to the construction regulations applicable to the event venue and to the construction guidelines set by the Organiser.

4. Co-exhibitors and firms indirectly represented

Stand areas are in principle made available solely as whole entries and only to one contracting party, the 'main Exhibitor'. The use of the stand area by another company represented by its own symposium goods (co-exhibitor) shall require a special application and written approval from the Organiser. Approval of co-exhibitors is likewise based on the criteria listed under paragraph 2 above, apart from this. Such companies shall also be subject to the terms & conditions for participation, which are to be acknowledged by those companies in writing. The assignment of the rights and obligations to other parties, even if only in part, is not permissible except with the written approval of the Organiser in advance. The Main Exhibitor shall be liable for any fault on the part of his co-exhibitor or indirectly represented company and their agents, in the same manner as his own faults and for the faults of his own agents. The same shall apply to auxiliary staff. If paragraph 4 above applies, the main Exhibitor and all co-exhibitors shall be jointly and severally liable to the Organiser for the obligation arising from this rental contract.

5. Terms of payment

- a) 50% of the entire amount upon receipt of invoice
 - b) 50% by 30 June 2026
- All payments must be received before the start date of the symposium.
- c) For other additional services, payments must be made in full, in advance, when placing orders for services

d) Payment by the stipulated date is a prerequisite condition for the Exhibitor's participation in the symposium and use of the stand.

e) In the event of default of payment by the stipulated date in (a), the Exhibitor's or sponsor's application shall be deemed to be cancelled and the 50% deposit forfeited; and (b), the Organiser shall reserve the right to claim all payment due from the defaulting Exhibitor or sponsor. The Exhibitor or Sponsor shall not be entitled to any form of compensation whatsoever, whether for loss of profits or otherwise.

6. Cancellations

The Exhibitor or Sponsor will not be permitted to withdraw from, cancel, alter or reduce in any way their booking of the symposium. However, the Organiser may consider special cases and in their sole discretion grant partial refunds according to how many months/weeks prior to the start of the symposium that the proposed withdrawal or change is made known to the Organiser in writing. The Organiser shall retain

- a) 10% of the agreed package amount if the cancellation is made before 27 January 2026.
- b) 50% of the agreed package amount if the cancellation is made between 28 January 2026 and 26 May 2026.
- c) 100% of the agreed package amount if the cancellation is made after 26 May 2026

7. Movement of exhibits

- a) The Exhibitor shall bear the responsibility and expenses for transport of exhibits to the symposium venue.
- b) The Exhibitor shall make their own arrangements for the storage and warehousing of the exhibits, subject to the approval of the Organiser.
- c) The Exhibitor shall submit a list of exhibits to the Organiser at least ten days prior to the start of the symposium.
- d) No exhibits or other goods will be permitted to leave the symposium venue. The Exhibitor shall indemnify the Organiser against any loss or damages due to delay or damage to the symposium venue.

8. Security & Insurance

The Organiser, its directors, trustees, offices, employees, agents and representations, will not be responsible for the safety of articles of any kind brought into the symposium by the Exhibitor or Sponsor, their employees, agents or contractors, members of the public or any person whatsoever. Exhibitors shall ensure that they are fully covered by Insurance and take out public liability and comprehensive protection. The period of Insurance shall be from the time the Exhibitor first enters the symposium hall until all his exhibits have been properly removed to the satisfaction of the Organiser. The Exhibitor shall indemnify and hold the Organiser, its directors, trustees, offices, employees, agents and representations, harmless with respect to all costs, claims, liabilities, losses, demands, proceedings and expenses to which the Organiser, its directors, trustees, offices, employees, agents and representations may in any way be subject (including but not limited to members of the public, the staff of the local authorities, or the Organiser of Exhibitors' staff, agents or contractors) caused as a result of any act of omission of the Exhibitor, co-exhibitor, sponsor, representatives, employees, agents, contractors or invitees. If the Organiser so demands, the Exhibitor shall provide proof to the Organiser that the Exhibitor has adequate insurance coverage. The Organiser shall not in any event be held responsible for any loss or damages whatsoever (including loss of profits suffered by the exhibitor) as a result of any restrictions or conditions which prevent construction, completion, alteration or dismantling, or for the failure of any service normally provided at the listed symposium ground, for the cancellation or part-time opening of the symposium either as a whole or in part, or for amendments or alterations tall or any of the 'Terms & Conditions for Participation' caused by any circumstance not within their control.

9. Security Responsibility

10. Damage to venue

The exhibitor shall take good care of and shall not cause any damage or permit or suffer any damage to be done to the symposium venue or to any part or parts thereof or to any fittings, equipment or other property therein, and shall make good and pay for damages thereto (including accident damage and damage by fire) caused by act or omission of himself, employees, co-exhibitors, agents, representatives, contractors or persons by reason of the use of the symposium venue by the Exhibitor. If the Organiser so demands, the Exhibitor shall insure the venue for any damage and send the insurance documents to the Organiser.
